

A Safe Chlorine Free Green Product

With FDA & USDA
Approved Ingredients!

Just 1 fl oz in 8 Gallons

PRO-SAN® 810

Cleaner for Hard
Food Contact Surfaces

and

Fruit & Vegetable Wash

Super Concentrated and Economical

PRO-SAN® 810 is free of v.o.c.s
(volatile organic compounds).
(Free of v.o.c.s means *pollution free breathing*
indoors & in enclosed spaces).

**PRO-SAN® 810 does not alter organic
food by chemical oxidation.**

Oxidation can destroy nutrients and vitamins and
produce cancer causing free radicals. In turn a
oxidizing sanitizer also gets used up! Bacteria
make up a tiny fraction of organic load of food.
Most of the sanitizer is spent in oxidizing food.
(Hypochlorite, chlorine dioxide, per-acetic acid,
hydrogen peroxide & ozone work by oxidation).

PRO-SAN® 810 is Safe To Use:

GRAS and Food Additive ingredients.
colorless, odorless, biodegradable, shelf-stable
& free of animal products

Triple Action

PRO-SAN 810

* Cleans

* Chelates

* Without Residue

PRO-SAN® 810 cleans without Altering Organic Food!

★ **Fast action**

★ **Biodegradable and safe food grade ingredients**

The food grade ingredients and emulsifying agent of PRO-SAN® 810 do not produce carcinogenic byproducts or free radicals. PRO-SAN® 810 is completely biodegradable in the environment.

★ **Cleans food contact surfaces**

★ **Leaves fruits and vegetables naturally clean without residue**

Besides sanitizing food contact surfaces, PRO-SAN® 810 treated fruits and vegetables maintain their original taste and flavor. PRO-SAN® 810 enhances their natural color. PRO-SAN® 810 is not soap and does not leave residue on fruits and vegetables that can ruin the taste.
