PRO-SAN® L Targets Bacteria, *Not* Organic Food!

(This product is not registered for sanitizing food.)

❖ Cleans and sanitizes food contact surfaces

❖ Fast action & broad spectrum

PRO-SAN® L kills 99.999% of both gram positive* and gram negative bacteria** in 1 minute!

**Staphylococcus Aureus*, ** *Escherichia coli O157:H7*

❖ Leaves fruits and vegetables clean

PRO-SAN® L treated fruits and vegetables maintain their original taste and flavor. PRO-SAN® L enhances their natural color. PRO-SAN® L is not soap and does not remain on fruits and vegetables to ruin the taste.

❖ Biopreferred and food grade ingredients

The food grade ingredients and emulsifying agent of PRO-SAN® L are USDA approved and certified biopreferred. PRO-SAN® L is an environmental chlorine free green product.

USE: *Spray sanitizing* hard non-porous surfaces including: counter tops, cutting boards, dishes, utensils, forks, knives, sinks, drains and salad preparation surfaces in kitchens, restaurants, other eating establishments, dairies and food processing plants.

Produce washing: Cleaning and washing fresh fruits and vegetables.
