

A Safe Chlorine Free Green Product

With FDA & USDA
Approved GRAS &
Food Grade
Ingredients!

PRO-SAN® LC

Cleaner for Hard Food Contact Surfaces and **Fruit & Vegetable Wash**

Concentrated and Economical

PRO-SAN® LC is free of v.o.c.s
(volatile organic compounds).

(Free of v.o.c.s means *pollution free breathing*
indoors & in enclosed spaces).

**PRO-SAN® LC does not alter organic
food by chemical oxidation.**

Oxidation can destroy nutrients and vitamins and
produce cancer causing free radicals. In turn a
oxidizing sanitizer also gets used up! Bacteria
make up a tiny fraction of organic load of food.
Most of the sanitizer is spent in oxidizing food.
(Hypochlorite, chlorine dioxide, per-acetic acid,
hydrogen peroxide & ozone work by oxidation).

PRO-SAN® LC is Safe To Use:

GRAS and Food Additive ingredients.
colorless, odorless, biodegradable, shelf-stable
& free of animal products

Just 1 fl oz in one Gallon

Triple Action

PRO-SAN LC

* Cleans

* Chelates

* Without Residue
